INTRODUCTION

HOUSING COLORADO

To drive the solutions that make home possible for everyone, Housing Colorado unites a diverse community of housing professionals, advocates, and leaders statewide. Together with our members, we are changing the policy landscape and knowledge base to make housing more affordable for all Coloradans.

- A NONPROFIT MEMBERSHIP ASSOCIATION
- **ADVOCACY**: HOUSING COLORADO REPRESENTS THE AFFORDABLE HOUSING COMMUNITY IN STATEWIDE LEGISLATIVE AFFAIRS
- **EDUCATION**: OUR ANNUAL CONFERENCE, NOW ENTERING ITS 39TH YEAR, IS ONE OF MANY EDUCATIONAL OFFERINGS THAT HOUSING COLORADO ORGANIZES ANNUALLY FOR ITS MEMBERS

HISTORY

Housing Colorado was formed over 21 years ago with the merging of Colorado Affordable Housing Partnership, Colorado Rural Housing NOW!, and Colorado Low-Income Housing Campaign. Since 2005, Housing Colorado has been the unified voice for Colorado's affordable housing community. Together with our members, we have shifted the public narrative around housing, shaped the policy landscape, and ensured that generations of Coloradans will have an affordable place to call home.

VISION

Every Coloradan has access to a safe, healthy, quality, affordable home in a thriving community.

INTRODUCTION

HAPPEN

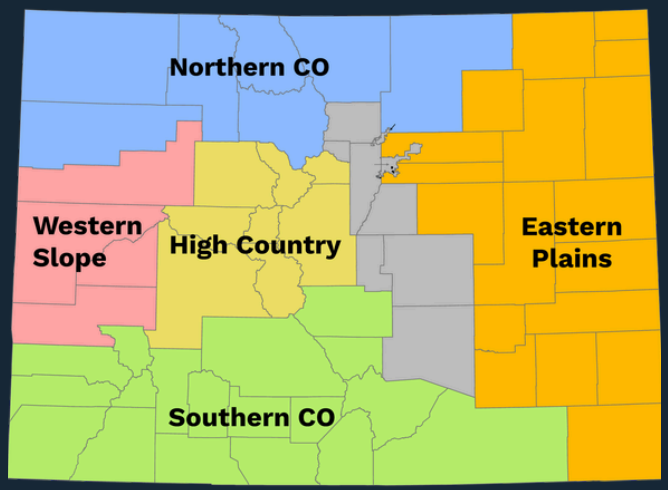

HAPPEN (Housing Action Professionals Peer Exchange Network) is a year-round program of Housing Colorado.

- TURN YOUR WORK INTO A STATEWIDE MOVEMENT
- TAP INTO HC MEMBERS' COLLECTIVE KNOWLEDGE 24/7
- AMPLIFY YOUR REGION'S PERSPECTIVE IN HC'S ADVOCACY WORK
- STRENGTHEN YOUR REGIONAL AND STATEWIDE CONNECTIONS
- STAY CONNECTED TO HC EVENTS AND NETWORKING YEAR-ROUND

HISTORY

HAPPEN was formed in response to feedback collected during our 2025 strategic planning work, during which we heard that our members without easy access to our existing events on the Front Range were eager for more opportunities to engage with Housing Colorado. Further, we heard a need to become better advocates for the unique and at times, under-served, interests of rural and mountain rural communities. HAPPEN was created to serve Housing Colorado members and other community members working to solve the affordability challenges in their communities with a shared network of expertise, resources, and relationships. We believe that local solutions are best driven by local champions. HAPPEN seeks to support that work with practical resources on the ground level, as well as increased access to legislative representation.
